INSULATED CROWBAR (CHISEL & POINT) - 60"

HT00582

60" Long insulated crowbar, complete with a standard chisel end for prying and breaking of heavy objects, and a pointed end for breaking up stone, concrete and tarmac.

The Insulated Crowbar has been flash tested to 10,000v and provides protection up to 1000v to ensure safety whilst at work. The Insulated Crowbar is health and safety compliant and meets the latest BS8020:2011 regulations.

The Insulated Crowbar includes an ergonomic handle for ease and comfort when using, a narrow neck to help reduce fatigue on hands whilst using the crowbar, and an integrated collar to prevent the user's hand slipping during use.
