CARTERS SAFE DIG NEWCASTLE DRAINER

HT06000

Often Known as a 'grafter' in some trades

Designed for digging deep and narrow trenches, channels and post holes

Integrated treads provide better grip, increased comfort and protection to the user's feet

With leading edges double the thickness of a traditional forged blade Safe Dig tools reduce the risk of penetrating hidden cabling

To be used as part of a safe working practice when potentially live underground services may be present.

Key Features

- Product handle: 28" Polyfibrepro
- Product size: 7" to 4" x 16"
