INSULATED GENERAL SERVICE SHOVEL

HT00223

The Insulated General Service Shovel has been flash tested to 10,000v and provides protection up to 1000v to ensure safety whilst at work. The Insulated General Service Shovel is health and safety compliant and meets the latest BS8020:2011 regulations.

The Insulated General Service Shovel includes an ergonomic handle for ease and comfort when using, a narrow neck to help reduce fatigue on hands whilst using the shovel, and added tread plates to reduce damage to boots. The Insulated General Service Shovel also features an integrated hand stop to prevent the hand slipping whilst in use.
