

Product Name:

YELLOW ULTRA D-FRAME 90L WHEELBARROW

Product Code:

HT02017

Pack Quantity:

1

The Yellow Ultra D-Frame 90L Wheelbarrow is a super heavy-duty barrow offering extreme quality and durability, ideal for even the toughest of sites.

Complete with a pneumatic 3 ply tyre and steel wheel to tackle the toughest terrain, and featuring an enhanced European style 90 litre steel tray with added side ribs and double shifted edges for maximum strength. All of this is underpinned by the ultra-strength tubular frame design, which features an under-tray cradle to support the tray and improve balance, whilst strengthening the entire structure of the wheelbarrow.

Key Features

- 90 Litre capacity
- Enhanced powder-coated steel tray offering maximum strength
- Ultra-strength tubular frame design complete with tray cradle
- Improved balance
- Pneumatic 3 ply tyre with steel wheel
- Comfort grip handles
- Ideal for transporting asphalt

Specification
